

Ana Mariella Guadalupe MONGE VASQUEZ

I am a salvadorean Dermatologist; I did my Dermatology Residency at the Dr. HBD Institute of Dermatology and skin Surgery at the Dominican Republic. It was a marvelous experience. Currently working as head chief of the Dermatology Center at the Zacamil National Hospital "Dr. Juan José Fernandez".

Also, I am the academic coordinator of the Dermatology Residency Program recently established, which has been an enormous achievement for our country.

I have my private practice and my areas of interest are phototherapy, trichology and cosmetics.

I enjoy sunrises on the beach. I dedicate my free time running and cooking. I am currently married, have a beautiful 9-year-old daughter, and love my dog, Snow.
